Tax Invoice

Disclaimer:

In light of the GST implementation from 1st July, 2017, CWT is trying its best efforts to incorporate GSTIN number in its invoices and all invoices will continue to be due and paid in line with the terms of your contract with CWT even if the GSTIN number is not mentioned therein.

As the GST regime now requires the principal service provider (such as airlines) to send a GST invoice to the service consumer within 30 days, CWT has sought information from all its clients on a best effort basis.

Despite the above, the process of information collection (from clients) and reporting (to principal service providers) is presently being done manually; due to which reason CWT disclaims all responsibility or liability or guarantee whatsoever with regards

- The claims of GST tax credits by its clients; and
- Any acts or omissions or inadvertent errors in the reporting process; and
- Any errors or mistakes in the invoices issued by principal service suppliers

Refund and exchange transactions will now be subject to GST.
